“Motivation and the Gifted  
Child: Creating a Home and  
School Life Balance”

Parents of GATE students are invited to attend the GATE Parent Organization first General meeting of the 2012-2013 school year. You will have an opportunity to meet the GATE Parent Advisory Council members and the new district GATE Coordinator, Dr. Alison Nordyke.

Alison will be discussing indicators that influence motivation and presenting how these factors play into creating a home/school life balance for families of gifted children.

**This program will be  
presented in English with  
Spanish and Korean  
translation available**

**No Childcare is available**
