Please, we need your help!

Our Goal is to raise \$5,000 for math/science competitions, science field trip, language and performing arts enrichment activities, parent and student presentations/workshops, books, apps, etc. We will be actively seeking input from teachers, students, and parents for the most effective way to spend the money we raise. Please provide comments and suggestions. This association is for you!

Thank you for your support!

**Please make your donations to Honor's Parent Association
